## Fields of Application

. For use in kitchen drawers and shelves- protects furniture from water dripping and the anti-skid feature keeps the cutlery and utensils in place.

. For use in wardrobe and shelves-protects clothes from wood coating stain.

. For use in refrigerators shelves.

. For use to keep the shower soap bar from slipping off its designated place in the shower, which allows the soap to drain but keeps it in place.

. For use under pet dishes to keep them from sliding around

. Use them under rugs, or place a small piece under chair legs to prevent them from slipping across the floor.

## Fields of Application

. Surfaces must be clean and dry.

. Simply cut with scissors to any shape or size as per your needs and place over the surface.

## Advantages

|-------------------|----------------|------------------|-----------------|
| . Easily washable | . Eco freindly | . Anti bacterial | . Waterproof    |
| . Crack Resistant | . Non toxic    | . Anti skid      | . Easy to apply |

## Before

## After

## Application

### Cabinet Liner

Keep your cabinet organised! Its strong grip reduces shifting. Protects shelves from scratching. That helps your dish-ware and other items stay put, so your cabinets stay organised day in and day out.

### Drawer Mat

It's great as a Drawer liner, Fridge liner, Cupboard liner, Counter top liner, Kitchen drawer liner, Kitchen mat, non-slip liner,

Table protector, Place mat, Coaster and Table mat, Boot liner, Anti slip mat,

Shoe rack mat, Waterproof mat, Fridge mat etc.

### Bookshelf Mat

Keep your bookshelf organised! Protect your bookshelf from damp and mould. It helps your books and other items stay put, so your bookshelf stays clean day in and day out.

### Placemat

Keeps your Dining Table organised! Protect your Dining Table from spills and Oil stains. This helps Keep your home kitchen clean and tidy every day.

- **High-Quality EVA:** high-quality EVA (Ethylene Vinyl Acetate) material, BPA free.
- **Certain Degree Slip Resistance:** uneven surface of one side not only make it ventilated but also help grip items from slipping in a certain degree.
- **Easy to Cut:** measure, mark, easily cut to desired sizes with scissor or utility knife.
- **Non-Stick & Removable:** non-stick surface to make it easier to remove for clean and ensure no sticky things left on shelf after taking the liner out.
- **Easy to Wipe:** easy to wipe clean with soft cloth, brush or sponge.
- **Easy to Wash:** remove the mat directly and rinse with water so you don't have to scrub the surface of the cupboard on a ladder.

## Product description

**EVA (Ethylene-Vinyl Acetate) Anti Slip Shelf Liner is a multifunctional Liner, suitable for kitchen, bathroom, cabinet, refrigerator and other household places. It comes in various colours and it is easily washable. Resins used in manufacturing of ElastPro product are FDA, REACH and OEKO-TEX Standard-100 compliant. You can put articles on the surface and prevent it from sliding. No matter how heavy the products are or what you put on it, will restore the original appearance. It is an eco-friendly, food grade, anti-bacterial, waterproof, transparent, crack resistant and non-toxic Liner. It is simple, durable, elegant, non-adhesive textured used in shelves, drawers, almirahs, table tops, refrigerators and multipurpose uses.**

### Waterproof

The mats are totally waterproof, effectively protect your cabinet and fridge, keep them clean and tidy. non-adhesive diamond lines on top and smooth bottom holds liner and objects in place. Help to reduce slipping and bunching in your drawers and shelves.

### Oil-Resistance & Anti-bacterial

This mat is oil-resistant And protects your table, shelves from scratching or getting dirty. The sauce and oil spilled, will not penetrate your table. Helps keep the plate/bowl still when your kids are trying to get food with their cutlery.

### Easy to clean

Clean the liner surface with soft cloth, soft brush or sponge.

Its waterproof and anti-oil.

### Easy to cut

This liner is very easy to trim, you can easily cut the liner to fit any non-standard size cabinet or drawer. Simply cut any excess material away with a household scissors.

## Shelf Liners

**A liner is a piece of material that generally is placed on a floor or other flat surface.**

**Mats serve a range of purpose including serving to clean items passed over it, protecting that which is above the Liner or an anti-vibration Liner, protecting that which is beneath the Liner, providing a regular or flat surface.**

**One of the common purposes of such Liners is to provide a thermal and physical barrier between that which is placed on the table, and the table itself-for instance, to stop hot objects from marring the table's finish.**

**Anti Slip | Non Adhesive | Multi Purpose**
